PISTOL GRIP GREASE GUN

Match the color-coded gun to a LABEL SAFE color-coded Grease Fitting Protector to ensure the right grease is used in the right equipment.

Available in 10 colors

This heavy duty, top of the line grease gun is ideal for one handed operation and are designed for use in confined spaces where access to grease fittings is restricted.

The pistol grip is designed to prevent fingers from pinching and includes a soft rubber handle grip for comfort. **Provided with both a 4" steel extension and 12" flexible extension.**

- 3-way packable (suction, cartridge or filler pump).
- Super strong pistol grip handle with soft rubber grip.
- Pistol grip design prevents fingers from pinching.
- Develops 5000 PSI / 345 BAR.
- Has capacity for 14 oz (400gm) cartridges or will fit 500cc bulk filled.

Color-coded Steel Tubes are also available in 10 colors as spare parts for converting your existing grease guns. Fits most common styles.

Air Breather & Bulk Loader
on all color coded guns.

COLOR-CODED CLEAR GREASE GUNS & TUBES

Match the color-coded gun to a LABEL SAFE color-coded Grease Fitting Protector to ensure the right grease is used in the right equipment.

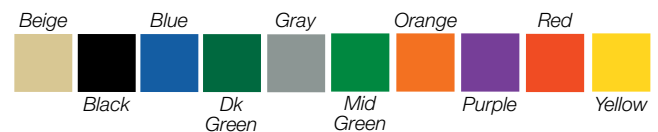

Color-Coded Clear Grease Guns enable accurate identification of a lubricant by providing visibility of the installed cartridge or the grease level if bulk filled.

Made of impact resistant polycarbonate, the clear body tubes are extremely tough and durable and have been designed for many years of use in industrial environments.

Clear tubes are also available in 10 colors as spare parts for converting your existing grease guns. Fits most common styles.

Available in 10 colors

LEVER GREASE GUN

DELIVERS 
1 gm/stroke (1 oz./28 strokes)

Match the color-coded gun to a LABEL SAFE color-coded Grease Fitting Protector to ensure the right grease is used in the right equipment.

Available in 10 colors

Variable stroke lever action for greater control of delivery – especially in tight working spaces.

This heavy duty, top of the line grease gun is designed for punishing day-in and day-out heavy industrial applications.

Provided with both a 6" steel extension and 12" flexible extension.

- 3-way packable (suction, cartridge or filler pump)
- Have capacity for 14 oz (400gm) cartridges or will fit 500cc bulk filled
- 1/8" NPT threads
- Soft rubber grip for non-slip operation.

Air Breather & Bulk Loader
on all color coded guns.

ACCESSORIES

GREASE METER

Dispense the precise amount of grease with this digital Grease Meter.

Simply fit this grease meter to your GREASE SAFE Grease Gun and push the button to zero before each application. The result is shown in large (11/32" – 9mm) and clear digits and the meter can be backlit for operation in darker areas.

The meter includes a resettable total-counting mechanism and will fit with any of the GREASE SAFE flexible hoses or steel extensions. The meter housing is made of anodized aluminium and has 2 x ISO- R 1/8 female fittings.

With this grease meter it is possible to grease precisely according to the bearing manufacturer's recommendations to maximize bearing life.

WORKING PRESSURE	FLOW	MEASURING ACCURACY	BATTERY	GREASE CONSISTENCY	WEIGHT	PART#
Max 70 MPa - 10,000 psi	Max 1000 cm ³ /min 30 MPa - 4350 psi	+/-3% up to	2 x 1.5V LR1	Up to NLGI 2	0.7 lbs (0.3 kgs)	330999

GREASE APPLICATOR KIT

Convert grease guns for special application greasing with this kit which includes a range of quick connect lube accessories.

Particularly effective for lubrication of grease plugs, sealed bearings, push on greasing of recessed fittings or fittings in shoulders, low height areas or an extension for reaching those hard to reach areas.

Fits all GREASE SAFE guns and other manufacturer's guns with "jaw type couplers."

ITEM	PART#
Grease Applicator Kit	331430

COUPLERS

One of the most critical components in greasing, these couplers all include heat treated, fully hardened spring steel jaws for extended life and have a spring loaded ball check mechanism to help retain pressure.

A 360° swivel coupler is also available that is excellent for effective lubrication of difficult and hard to reach grease fittings.

DESCRIPTION	PSI	FITTING SIZE	JAWS	BALL CHECK	PART#
Professional	6,000 PSI (413 Bar)	1/8" NPT	4	Yes	331100
Heavy Duty	10,000 PSI (690 Bar)	1/8" NPT	4	Yes	331101
360° Swivel Coupler	7,000 PSI (483 Bar)	1/8" NPT	3	Yes	331120

GREASE GUN HOLDER

Heavy Duty Grease Gun Holder, with simple snap action clamp for safe storage of grease guns and suction guns. Mounts on almost any surface.

Suitable for 14oz (400gm) grease guns.

Does not fit Clear Grease Guns.

ITEM	PART#
Grease Gun Holder	331160

BUTTON HEAD COUPLERS

This button head coupler conveniently slides over the face of 5/8" button head grease fittings.

Fits all GREASE SAFE Grease Guns and includes metal seals for increased resistance to wear.

DESCRIPTION	PSI	FITTING SIZE	BALL CHECK	PART#
Heavy Duty Swiveling	3,000 PSI (207 Bar)	1/8" NPT	No	331130

FLEXIBLE GREASE HOSE

Fit these flexible hoses to GREASE SAFE Grease Guns for easier access to fittings that are hard to reach. Available in two lengths and in a Standard or Heavy Duty style.

Also consider the heavy duty spring guard for extra rigidity to the coupling end of the hose, allowing added safety and convenience in fitment – particularly effective when working with Grease Control Valves.

Standard hose is suitable for hand operated guns, while the Heavy Duty hose may be used on hand operated or air operated grease guns.

LENGTH	FITTING SIZE	SPRING GUARD	WORKING PRESSURE	BURST PRESSURE	PART#
Standard Hose					
12"	1/8" NPT	No	3500 PSI	11600 PSI	331000
18"	1/8" NPT	No	3500 PSI	11600 PSI	331001
12"	1/8" NPT	Yes	3500 PSI	11600 PSI	331010
18"	1/8" NPT	Yes	3500 PSI	11600 PSI	331011
Heavy Duty Hose					
12"	1/8" NPT	No	5800 PSI	13775 PSI	331020
18"	1/8" NPT	No	5800 PSI	13775 PSI	331021
12"	1/8" NPT	Yes	5800 PSI	13775 PSI	331030
18"	1/8" NPT	Yes	5800 PSI	13775 PSI	331031
